Requirements for using this crib sheet:

- Use a printer to create a **double-sided sheet** with one blank table on each side.
- You may write only ONE word in EACH square (=100 words on each side, i.e., 200 words total).
- You must print (or type) the words in the table. All words must be in ENGLISH.
- You may use abbreviations or arrows. You may also put images or drawings on any part of the sheet.
- Your text may be in different colours. You may also highlight sections of the crib sheet in different colours. Basically, if you like colours please have fun with the crib sheet!
